Product Description

Product Description:

This Alloy Quartz Wrist Watch is made with a metal quartz device and a leather band, with a 24cm length. It features a glass dial window and 30m water resistance, which makes it a highly reliable and durable product. The alloy quartz watch is perfect for everyday wear and is a great addition to any outfit. It is equipped with a quartz movement that is precise and accurate, allowing you to keep track of time with ease. The leather band is comfortable to wear and perfect for all occasions. The glass dial window provides clear visibility and the 30m water resistance allows you to wear it while swimming or showering. This Alloy Quartz Wrist Watch is a stylish and reliable accessory that is perfect for any occasion.
